

DANNY House

Apartment 12

Apartment 12 is a fine two-room apartment. It is situated on the first floor in the centre of the house, near the main staircase and with the lift close by. The sitting-room provides a view of the Walled Garden.

To live at Danny is to be able to forget about the chores of everyday life. Breakfast, lunch and supper are included in the monthly charge, and three experienced cooks provide varied and interesting menus. Cleaning, heating, lighting and maintenance are also included, with a staff of eight providing a high level of service, and residents can enjoy the gardens and an estate of 100 acres.

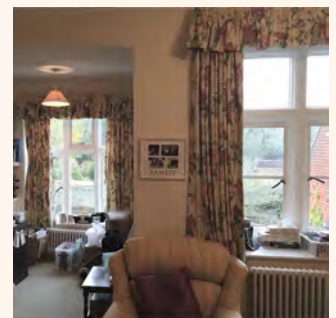

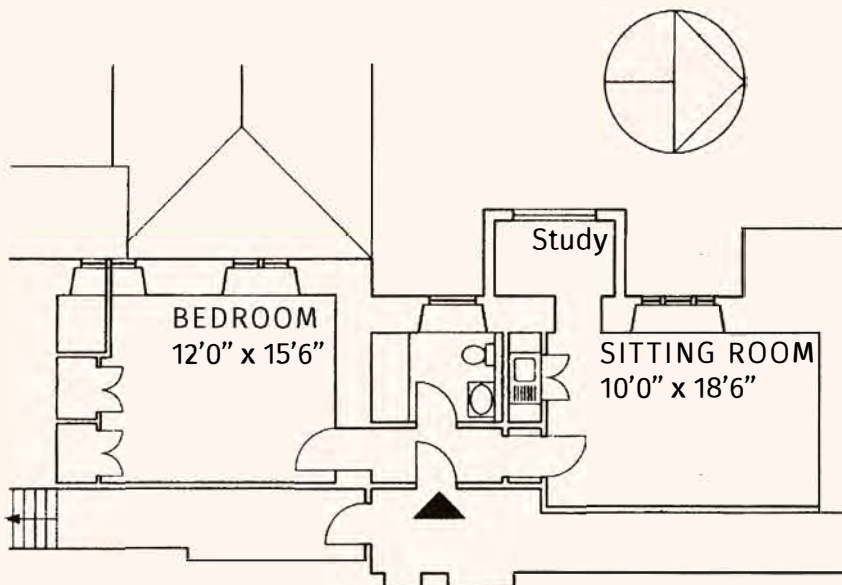

It is a unique and stately way of life, shared by about twenty-five active retired people. The Great Hall is our drawing-room, and we take our meals together in the Dining-Room. There is a varied programme of activities, including dancing, bridge and exercise-classes, in which you may choose to become engaged, and we have a weekly film. In the winter, there is a log fire in the Great Hall. It is essentially a civilised and homely atmosphere.
